GHYC MEMBERS RAISE \$22,000 FOR AMI KIDS SW

This is the season for giving and GHYC members opened their wallets at this year's auction held at the Commodore Ball in a "HUGH" way. Between the silent auction, donations and live auction the evening produced a total of \$22,000 to be given to AMI Kids SW. This was the kickoff to their \$100,000 campaign to expand their programs to home intervention for the kids they serve. This will go a long way in helping them reach their goal.

Last year GHYC Commodore Ball auction raised a total of \$12,000, so this was a Herculean effort this year. Gail Bernstein and the Silver Stars (past commodores) under Jodi Martin are to be congratulated for their efforts. In addition to the five major live auction items we had over 50 silent auction items donated by GHYC members.

The big item of the evening was a 6 course gourmet dining experience, with wine, sponsored by the GHYC flag officers and prepared by Chef Ron for 5 couples. During the auction, GHYC agreed to sponsor a second dinner since there were two major bidders. The second most popular item of the evening was a cruise and dinner for 3 couples on the Kismar sponsored by the Callaways, Johnstons, and Kelleys.

Marilyn Lappin and Jean Kin did an outstanding job in planning the evening. The table decorations were the hit of the evening and Chef Ron and his staff prepared one of the best meals we have ever experienced at Johnny Browns. Add to this, great entertainment and dancing and it was an evening that 130 GHYC members will remember. As commodore, it was an evening Mary Lou and I will long remember.

Our last lunch bunch of the year was a short run to Rum Runners on December 6 chaired by Jean and Niles Kin. Although the group was smaller than usual, it was a beautiful sunny day and the lunch was great. Thanks to those captains who volunteered their boats not only for this cruise but 13 cruises this year. With out your continued support there would be no lunch cruises.

2012 Commodore John Hess has put together an active calendar for this coming year including unique lunch cruises and a number of extended cruises including a 10 day cruise in May to the Keys. With 5 to 6 extended cruises each year and 12 or 13 lunch cruises it gives all of us a reason to be on the water more often.

Boaters night will be back on the calendar in January. This year, in addition to information for all boaters, we will feature a section at each meeting to discuss the Keys extended cruise. All boaters are encouraged to attend since the charting and planning is good basic information. Also, we would like your input if you have traveled the Keys in the past.

Cruise leaders Callaways and Andersons will be working on a ground package for the non-boaters, if we have enough interest. Since most days will be in port and marinas are drivable, it is a great opportunity to enjoy the cruise from your land vehicle.

Our next major function will be the annual Change Of Watch ceremony Saturday January 7 at Johnny Browns. At that time the 2012 officers will be installed. They include John Hess, Commodore, David Kelley Vice Commodore, Terry Lappin Rear Commodore and Gary Morgan Fleet Captain.

I have enjoyed my year as commodore and look forward to working with all the officers in 2012 to continue the tradition of GHYC being one of the best groups in GH.

## Social Committee

by Jean Kin & Marilyn Lappin

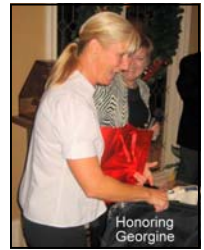

All who attended the Commodore's Ball would agree, it was a grand affair! One hundred twenty members were in attendance, and the festive atmosphere took on the theme "Colors of the Season". Ivory linens, accented with red and green napkins set off the reindeer and tree centerpieces. Hors d'oeuvres were passed and the attendees exchanged their ticket for a free beverage. After a few welcoming remarks by our Commodore and others, everyone enjoyed a delicious dinner. The first course was cream of asparagus soup, which was delightful. This was followed by a tasty green salad. Next came the magnificent entrée of a surf and turf, a beautiful presentation and delicious too. The red velvet cake with cream cheese was an extra "wow". It was almost too beautiful to eat!

Gail Bernstein was instrumental in setting up the silent auction to benefit AMI Kids. Everyone mingled around the silent auction tables during cocktails and dinner, bidding on various items, which added a bit of competition to the atmosphere. Later, David Bernstein, as our live auctioneer, had everyone's hearts beating as the bidding got "fast and furious".

Andre and Soli were entertainment, providing music for this special event. Many enjoyed the music and stayed to dance. We want to thank Barbara Hendricks and Roxanne Jones for their help in decorating Saturday afternoon.

We are so grateful to the Gulf Harbour Golf and Country Club staff and Chef Ron who went out of their way to make the evening so special. Georgine Davidson was presented with a gift, as a token of our appreciation for all she has done for us over the years

As we "retire" from our position as social co-chairmen of the yacht club, we thank all the members for your wonderful support and help. We enjoyed serving the yacht club and look forward to dinners where we can be away from the sign in table, and maybe greet you at the bar!

## A Common Thread by Annie French

## Fleet Captain's Report by Terry Lappin

On a day that the Chamber of Commerce would use to promote SW Florida, Niles and Jean Kin led a cruise to Rumrunners on smooth seas. There were 42 Lunch Bunchers attending. After lunch several boats took advantage of the flat water to tour San Carlos Bay.

The Rumrunners cruise was the last Lunch Bunch for 2011. It was also the last Lunch Bunch for me as the "Lunch Bunch Guy". Gary Morgan, the new Fleet Captain, will take over in January.

I want to thank all 2011 Lunch Bunch participants for helping make this another great Lunch Bunch year and for making my job pretty easy. We had very good participation with 578 participants for the 12 outings. Members readily stepped up to volunteer to lead cruises and to take their boats.

There are three groups that warrant special consideration:

The Cruise Leaders; obviously without volunteers like these there could not be a Lunch Bunch:

|                           |                       |
|---------------------------|-----------------------|
| John & Trudi Ingraham     | Tom and Bev Auda      |
| Dee & Bob Moore           | Toni & Bill Huther    |
| Melanie & Bill Jackman    | Roxanne Jones         |
| Vasiliki Ayotte           | Eddie & Shelly Kaplan |
| Barb & Tom Hendricks      | Jackie & David Kelley |
| Mary Lou & Craig Anderson | Linda & Rich Rand     |
| Jean & Niles & Kin        |                       |

The skippers that repeatedly volunteered their boats for the outings. Many of those are listed above plus:

|                               |                         |
|-------------------------------|-------------------------|
| Gail & David Bernstein        | Brooks & David Burleson |
| Al Den Besten & Annie Edstall | Chuck Russo             |

All those that joined in and went on the trips. **Thanks Again.**

## AMI Kids of Southwest Florida And the Silver Stars Thank You

By Gail Bernstein

The Order of the Silver Stars would like to thank everyone who

helped make the fund raising part of the 2011 Commodore's Ball a huge success. We raised over \$22K for AMI Kids Southwest. There were lots of wonderful items on the silent auction tables. Thanks to those who donated the items and those who made some very generous bids. The live auction was lots of fun and **very** successful this year.

Thanks again to the donors and the bidders. We also want to thank the many volunteers who helped with setup, number tabulations, and tear down. Many club members could not attend the Commodore's Ball, but supported our fund raising effort with cash and check donations.

What a fantastic job by everyone!

# Thanks!

The highlight of the last thirty days in the Gulf Harbour Fishing Club was our fall Fishing Tournament. Phil Fischler, Rick Konetski, Doug Roberts, Steve Muench, Dennis Little, Bob Long, Bruce Scheffer, Bill Vitner and I captained teams on a beautiful but windy Saturday morning. The tournament started with breakfast at 6:30 AM outside the marine office. At 7:30 teams idled out of the marina to compete for three prize categories: Longest Fish, Total Inches (any 5 fish) and Total Inches (slam - snook, red, trout, grouper and snapper). Participants caught snook, red, trout, grouper, snapper, jack, lady fish, flounder, sheepshead, spanish mackerel and sting ray. The blind draw approach to team selection made the competition fair and led to lots of new friendships. New member Dr. Heedong Park registered the biggest smile of the day when he landed the red fish shown in this photo for Team Roberts.

Following our Saturday, December 3<sup>rd</sup> tournament was a well attended and informative Fishing Club meeting on Wednesday, December 7<sup>th</sup>. We shared stories from the tournament, practiced our knot tying techniques and enjoyed great pizza from Starz.

Our next fishing tournament will take place in March 2012. Stay tuned for the exact date and plan to join us. Club membership is required for participation in our tournaments, so join us at our next monthly meeting on Wednesday, January 4<sup>th</sup>, 2012. The club meets the first Wednesday of every month from 5 to 6 PM at the Marker 73 Café.

Special thanks to Lisa Price in the Marina office for her assistance with the logistics of the fishing tournament and for taking such good care of us at the club meetings in the café. Any questions, please contact **Chip Graddy** at (239) 340-5207 or [chip.graddy@gmail.com](mailto:chip.graddy@gmail.com)

### **View From The Marina**

by David Kelley

The Marina is getting busier with each passing day as more and more boats come to stay the "winter" with us. An example is the beautiful 42 Shannon sail boat on G dock, owned by a man from Vail, Colorado. This is his second winter with us as he goes home to ski and return to cruising in the spring. Talk about the GOOD life.

The Marina Board has recently approved a budget to send to our slip owners for their consideration. It includes a 3% increase over last year. Our reserves remain strong so that we will be ready to repair or replace when the time comes.

I have received some interest in our Captain's course through Sea School but not enough, yet, to start a class. Email me if you are interested. Like you, I was very pleased with the Commodore's Ball and all the money we raised for AMI!! David Kelley, Vice Commodore for 2012 and Marina President

## Where Our Members Are Cruising

The Editor - Capt WK

I hadn't planned on writing a piece for this edition of the newsletter but it's December 15<sup>th</sup> and I have too much copy for an 8 page issue...but not enough to fill 10 pages...so here goes.

A few months ago, several family members made me an offer they said I couldn't refuse. All I had to do was make all the arrangements for a 10 day bare-boat cruise in the BVIs, schedule the boat for the end of November to beginning of December, take care of all the provisioning, etc. - and they would treat me to Thanksgiving dinner at the land-based restaurant of my choice. For their part, they agreed to take care of all the heavy lifting (halyards, sheets, anchors, mooring balls, etc.)

They were right; I couldn't refuse. It had all the makings of the most expensive Thanksgiving dinner ever, but at least I knew I wouldn't have to worry about 'anchor management' issues since we (son Kim, wife Erin, nephew Kevin, wife Pam, and friends Ralph and Portia) had all crewed together at various times and places over the last 20+ years.

We re-traced much of the course sailed by the GHYC in 2008, including snorkeling at **The Baths**, a day and night at the **Bitter End Yacht Club**, a visit to **Pussers** on **Marina Cay**, an over-night in **Trellis Bay** where we celebrated with a Pain Killer at the **Last Resort** and talked about Jerry Bedacht's birthday party, snorkeled again at **Monkey Point** (and managed to do so without wrapping our dinghy painter in our prop), ate and drank and shopped at **Foxies** on **Jost Van Dyke** (where the GHYC burgee, the famed owner and his block Lab Taboo live on), and finally, we anchored and swam at **Cane Garden Bay**.

*Oh, and I almost forgot* - after a great turkey dinner at the Chez Bamboo in **Spanish Town** on **Virgin Gorda**, my long time friends Ralph and Portia from Anchorage, AK, pulled me aside and asked me if I could get them to a 'picturesque' spot for the day on Saturday - and not ask why?

Under intense questioning, they finally had to tell me a secret that only my son Kim was aware of..... **Ralph and Portia wanted to get married Saturday — aboard the boat.**

Kim would perform the ceremony and I was to be both the Father of the Bride and the Best Man !!? So, it was off to **Anegada Island** on Saturday morning and the couple 'Took the Plunge' that afternoon while we were anchored inside the reef at that place the early Spanish called '**The Drowned Land**'.

Then, of course we *had* to end our cruise a week later by celebrating the new couple's first anniversary aboard the '**Willy Thornton**' in the **Bight of Norman Island** after snorkeling at **The Caves** and **The Indians**.

The crew was right...it was a trip I couldn't refuse...and for some reasons I could never have imagined...and a trip I certainly won't forget. Walt K
